

SAN JOSE SPAIN

Calle Cuevas 38 A/B, San José

**An incredible investment opportunity:
This established San Jose property
has been converted into individual
apartments. Two of these, fully
furnished, are offered for sale together.**

Situated on a quiet road, away from the noise of the village but still just 5 minutes walk from the beach, one apartment (A) has two bedrooms (a double and a twin), and the other (B) has one double bedroom.

Both apartments have fully fitted kitchens, with oven, hob, fridge freezer and washing machine. The tiled bathrooms have a shower, wc, and basin.

Air conditioning is already installed, which can also be used for heating in the winter. Apartment B has a working open fireplace.

Each has a terrace with beautiful views across the bay towards the marina and volcanic hills. There is also a sheltered garden with seating, planted with mature trees such as olive and carob.

Another one bedroom apartment is also for sale separately, please ask us for more information.

One and two bedroomed apartments such as these are much sought-after for holiday rentals and a substantial income should be anticipated.

Price (for both apartments): **€300,000**
